## Report of Principal and School Improvement Council

Oakwood Windsor Elementary stresses the importance of strong academics and character education. During our 2011-2012 year we have continued to focus on and implement the components of our District's Reading Initiative, departmentalized 4th grade classes, implemented common planning for 5K through 5th grade teachers, researched and discussed Guided Math strategies, increased technology in the classroom and increased classroom libraries. Our computer labs are now using a web-based program called Compass Learning. Our teachers continue to pull small groups during the day for reading and math. The implementation of all the previously-mentioned components plus the effort from parents, students, and teachers has allowed Oakwood Windsor Elementary to be awarded the Palmetto Silver Award for the second year in a row.

In an effort to meet students' individual needs, the following programs were implemented this school year: intervention aides for math and reading in grades 1-5, professional development days for teachers to learn research based strategies to improve achievement, Compass Learning Lab which allowed students to work on their level both from school and home, a pull-out math class for at-risk 3rd grade math students which provided hands-on and individualized instruction, classroom and individual guidance sessions, and the implementation of a structured School Intervention Team.

Oakwood Windsor Elementary recognizes and rewards students for academic and social improvements by giving the following student incentives: quarterly Nine Weeks' Awards, monthly Beagle Bone Character Awards, monthly Read with the Principal and Walk with the Principal incentives, AR Awards, and incentive parties for MAP and PASS tests.

Teachers were involved in the following professional development training this year: Dominie training, MAP training, TesTrakker training, Compass training, refreshers of District's Literacy Model, Guided Math strategies, and Early Intervention techniques.

To encourage parent participation and involvement this year we offered: Fall Festival sponsored by the PTO, Spring Carnival, quarterly awards programs, Veterans' Day Program, Muffins for Mom and Donuts for Dad, Grandparents' Day, Santa Shop, Smart Night, Literacy Night, Night of the Arts, Winter Wonderland Musical, American Education Week lunches, Volunteer Breakfast, Parent Workshops and Field Day.

Oakwood Windsor Elementary School is very proud of the academic and social improvements that are demonstrated on a daily basis by our students, parents, faculty and staff. We are very appreciative of our parents for their hard work and devotion to OWES, as well as their commitment to our students' education.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
